How cool is this?

more about Vinspired

If you've ever wanted to get a real buzz, feel great and boost your pulling power without spending a penny, then do someone a favour ... because favours are free.

If you're a great listener, the next David Beckham, or just make a great cup of tea, we're looking for you. Don't keep your talents to yourself. Research shows that people who do things for others are happier and more attractive - and you could even develop the skills you need to get the job you've always wanted.

call Fiona on 01302 862492 or 07747 008 249

Vinspired believes in free. We do favours for free - and by doing them we can open the doors to do more of the things we want to do.

Doing more of the stuff you love and helping someone out while you're doing it doesn't have to cost anything. Favours get done every day, by you for your mates, between complete strangers. It's volunteering for the 21st century.

We don't do it because we should. We do it because we want to and because we can.
